It might be the climate, one of the best in the world, it might be our attitude, but whatever it is, and wherever clients come from, we are proud to keep them not only as customers but also as friends.

Quality certified as per ISO 9001-2000, is a constant factor in the ASTICAN working process and philosophy.

With a lifting platform of 175 x 30m, and 1.200 linear meters dry docking capacity, we can attend your requirements at very short notice.
